## Career Epidemiologist Field Officer Assignments (2002-2010)

Career Epidemiologist Field Officer (CEFO) assignments to Public Health Emergency Preparedness (PHEP) cooperative agreement awardees from 2002-2010, including number of assignees by year, geographic location, and total number of years with CEFOs by awardee.

Note: If an awardee had more than one CEFO, the number in this column represents the total number of years when the department had at least one CEFO. For example, if an awardee had two CEFOs during separate 2 year intervals, the number of years reported here is 4. If an awardee had two CEFOs during the same 2 year interval, the number of years reported here is 2.
